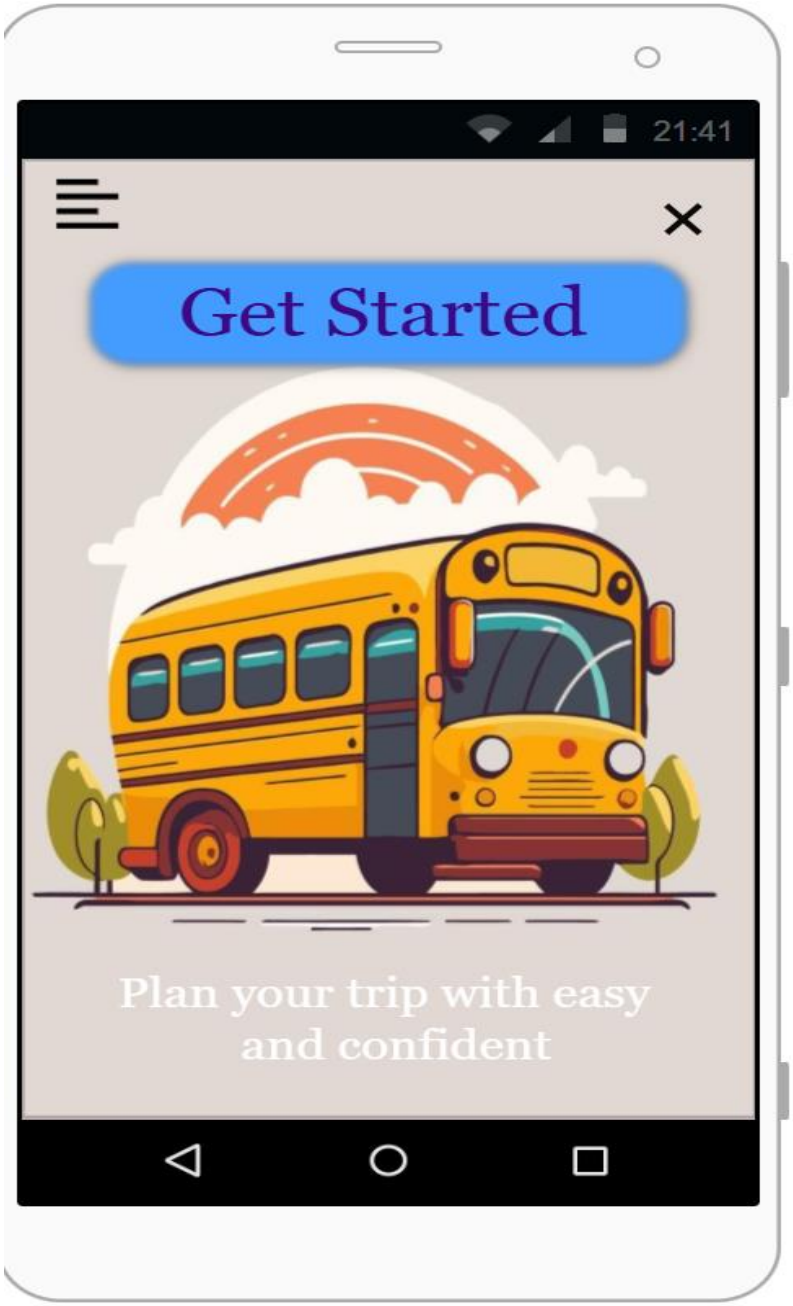
EXPERIMENT-4

ROLL NO: 240701448 Name : Sabitha R

Create a prototype with familiar and unfamiliar navigation elements. Evaluate ease of use with different user groups using proto.io

Screen 1:

Splash screen for bus travel app



Familiar Icons

1. Hamburger Menu (☰) – Top Left Corner:

- A widely recognized icon used to open the navigation menu.
- Users expect it to show options like Home, Profile, Settings, etc.

2. Close Icon (✕) – Top Right Corner:

- Common icon used to close the current screen or exit.
- Users understand it will dismiss the page.

Unfamiliar Elements

1. Bus Illustration (Center Image):

- A decorative graphic representing travel or transportation.
- It is not interactive, but users may assume it is clickable.

2. “Get Started” Button Style:

- The button is clear but styled with heavy shadow and gradient.
- Some users may hesitate if it appears decorative rather than interactive.

3. Tagline Text (“Plan your trip with easy and confident”):

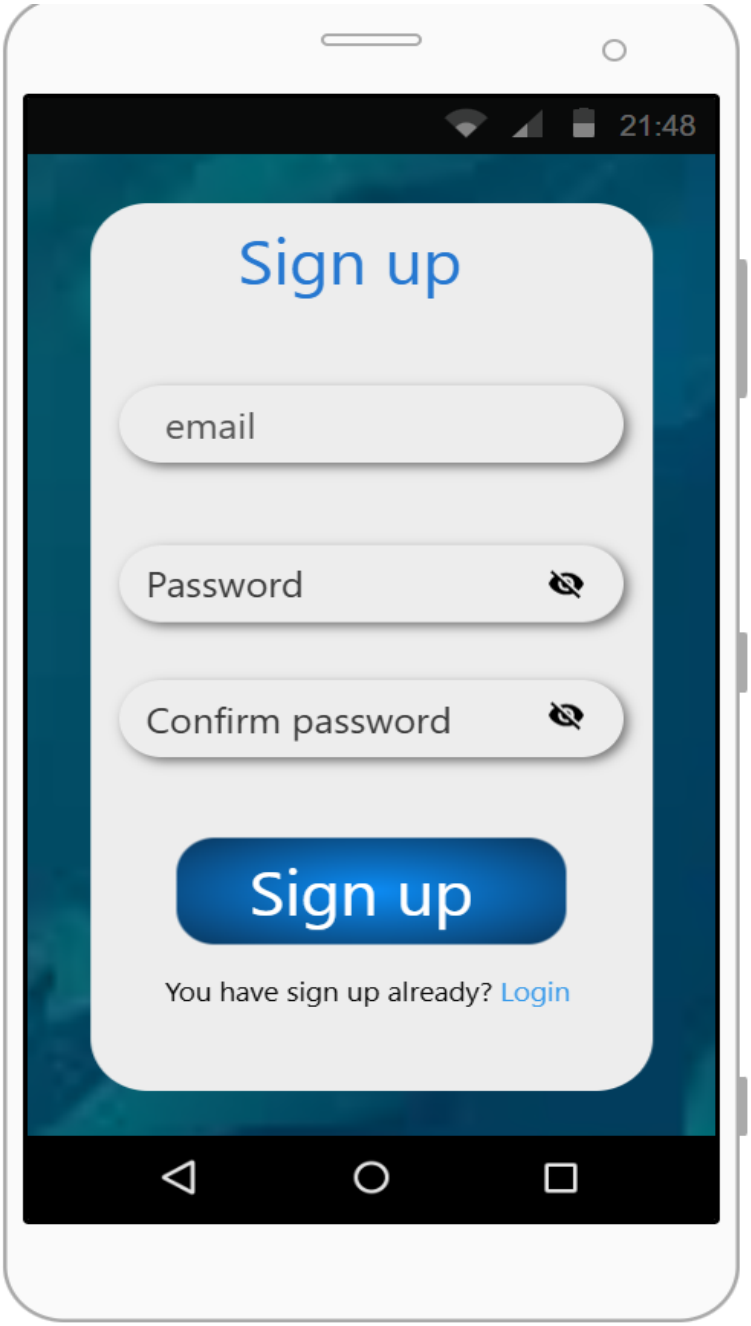
- Informational text guiding the user.
- Not interactive, but may appear like a tappable element due to placement.

4. Absence of Progress Indicator:

- Users may not know if this is the first screen or part of onboarding.

Screen 2:

Sign up page



Familiar Icons

1. Eye Visibility Icon (👁) – Next to Password Fields:

- A commonly used icon to show or hide the password.
- Helps users verify the characters they entered.

Unfamiliar Elements

1. Email Field Without Icon:

- Many apps include an envelope icon for quick recognition.
- Absence of an icon may slightly reduce visual clarity.

2. Confirm Password Visibility Icon:

- While useful, some users may not expect a visibility toggle in the confirm field.
- May cause minor hesitation.

3. Soft Shadow Input Fields:

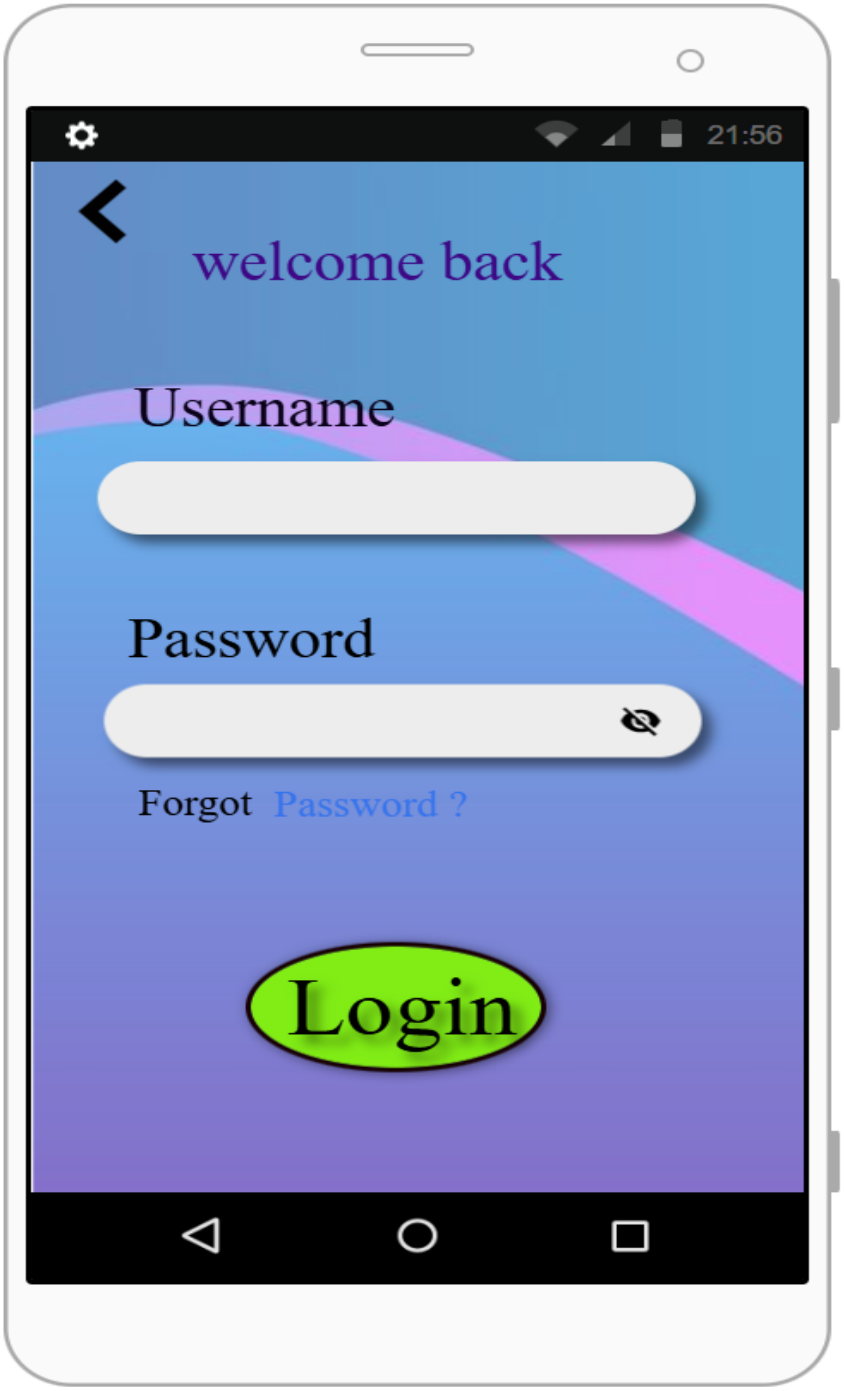
- Shadow styling may make fields look inactive or disabled.

4. Blue Gradient “Sign Up” Button:

- Strong styling may appear decorative rather than interactive to new users.

Screen 3:

Login page



Familiar Icons

1. Back Arrow (←) – Top Left Corner:

- A widely recognized navigation icon.
- Users expect it to return to the previous screen.

2. Eye Visibility Icon (👁) – Password Field:

- Commonly used to show or hide the password.
- Helps users verify their input.

Unfamiliar Elements

1. "Welcome back" Text Styling & Placement:

- Appears decorative rather than instructional.
- Users may not recognize it as a heading.

2. Low Contrast "Forgot Password?" Link:

- The light blue text blends with the background.
- Users may overlook the recovery option.

3. Bright Green Oval Login Button Style:

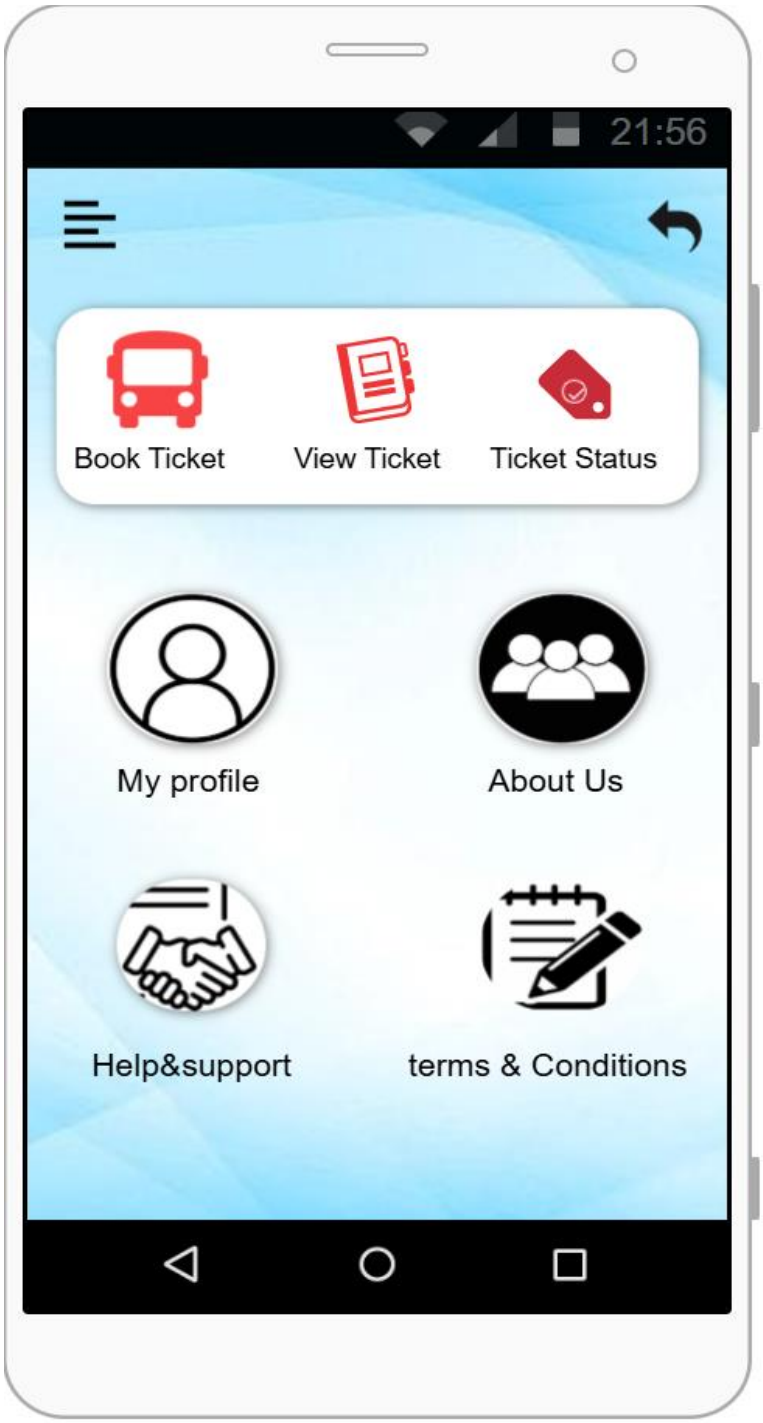
- Unusual shape and strong color contrast.
- May look decorative rather than a primary action button.

4. Shadowed Input Fields:

- May appear raised or inactive depending on lighting perception.

Screen 4:

Home page



Familiar Icons

1. Hamburger Menu (☰) – Top Left Corner:

- A widely recognized navigation icon.
- Opens the main menu or navigation drawer.

2. Back/Return Arrow (↩) – Top Right Corner:

- Common navigation symbol.
- Takes the user back to the previous screen.

3. Bus Icon – Book Ticket:

- Represents transportation booking.
- Easily recognized in travel applications.

4. Ticket Icon – Ticket Status:

- Common symbol for ticket verification and status.

5. Profile Icon – My Profile:

- Represents the user account section.

6. Group Icon – About Us:

- Indicates information about the organization or team.

7. Handshake Icon – Help & Support:

- Suggests assistance, cooperation, or customer support.

Unfamiliar Elements

1. Document Icon for “View Ticket”:

- May resemble a file instead of a ticket.
- Some users may hesitate before selecting.

2. Mixed Icon Styles:

- Top icons are red and flat, bottom icons are black and outlined.
- Inconsistency may confuse visual hierarchy.

3. Circular vs Non-Circular Icon Backgrounds:

- Bottom icons are inside circles while top icons are not.
- This inconsistency may affect visual understanding.

4. Handshake Icon Interpretation:

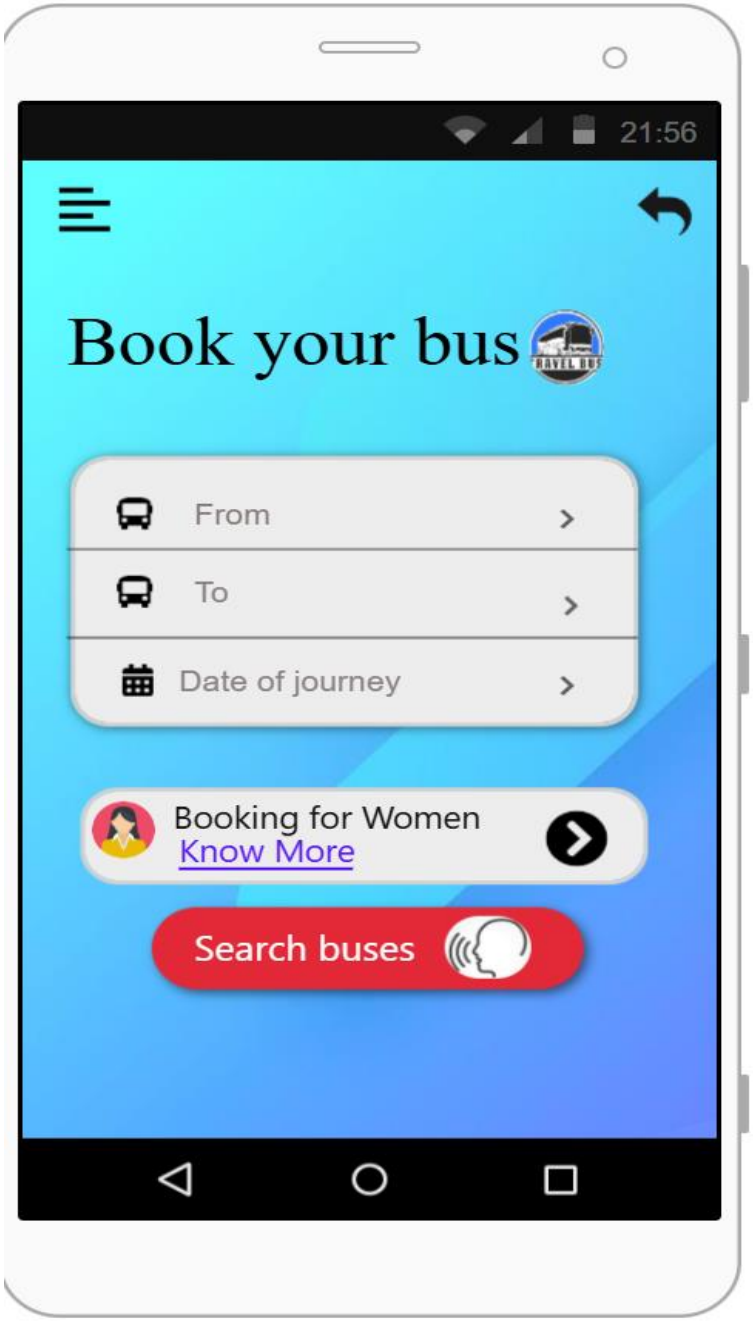
- Some users may not immediately associate it with support.

5. Terms & Conditions Symbol:

- Pencil & notebook combination may not clearly represent legal policies.

Screen 5:

Booking page



Familiar Icons

1. Bus Icon – Near “From” & “To” Fields:

- Commonly used to represent transportation routes.
- Helps users quickly understand travel input fields.

2. Calendar Icon – Date of Journey:

- Widely recognized symbol for selecting dates.
- Indicates travel date selection.

3. Search Icon (🔍) – Search Buses Button:

- Universally recognized search symbol.
- Indicates the action of finding available buses.

4. Arrow Icon (➤) – Next to Women Booking Section:

- Suggests navigation or moving to more details.

Unfamiliar Elements

1. Arrow (>) Inside Input Fields:

- May appear as a dropdown indicator or next-page action.
- Users may be unsure whether it opens a list or new screen.

2. Card-style Input Section:

- Fields grouped inside a card may appear non-editable to new users.

3. Placement of Search Button:

- Positioned slightly away from input fields.
- Some users may not immediately associate it with the form.

4. “Know More” Link Styling:

- May appear like plain text rather than a clickable link.
